

# Science with MAVIS 2021

## Wednesday, 7 July 2021

### Resolving the contents of nearby galaxies (11:00 - 14:00)

time	[id] title	presenter
11:00	[51] Science Case Overview - Day3	MCDERMID, Richard
11:20	[23] Searching for massive black holes in globular clusters and ultra-compact dwarf galaxies with MAVIS	BAUMGARDT, Holger
11:40	[19] Resolved stellar feedback in the nearby Universe	MCLEOD, Anna
12:00	[10] On the search and characterization of black holes in low-mass compact galaxies	FERRE-MATEU, Anna
12:20	[16] MAVISIM 2.0: Simulating the Photometric Capabilities of MAVIS	MONTY, Stephanie
12:40	BREAK	
13:00	[12] Synergies with MICADO on the ELT	TOLSTOY, Eline
13:20	[55] Panel Discussion	GULLIEUSZIK, Marco MCDERMID, Richard
