

PASTO - Particle Acceleration in Astrophysical Objects

September 5th-7th, 2022

Theory of particle acceleration in Astrophysical environments
Extragalactic Astrophysical Accelerators
Galactic Astrophysical Accelerators
Phenomenology of the acceleration processes
Modeling the interactions of particles

Astronomical Observatory of Rome (OAR) Via Frascati, 33 - Monte Porzio Catone - Roma

Welcome by the organizers

- **Welcome speech by the Director of the Astronomical Observatory of Rome**

Lucio Angelo Antonelli

- **Welcome speech by the chair of the Scientific Organizing Committee**

Antonio Stamerra

- **Welcome speech by the Local Organizing Committee**

Ciro Bigongiari and Luca Foffano

Welcome at the *Astronomical Observatory of Rome!*

The LOC of the workshop has organized a specific daily **bus for the participants** leaving in the morning from Frascati (Piazza Marconi) and reaching the venue (OAR) in Monte Porzio Catone.

The **meeting point** for all the participants in Frascati will be **every day** between 8.00AM and 8.15AM at the bus stop “Fermata Schiaffini” in front of Hotel Belvedere (in [this exact position](#)).

At the venue

Coffee breaks and lunches will be served at the venue.

Wifi. Eduroam is available through all the conference venue.

Further connections are available on the entrance of the conference room.

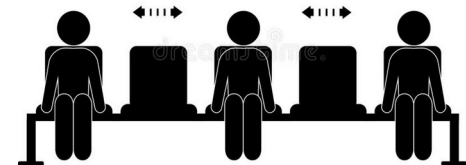

Work stations available on request.

Help us to keep this event safe!

- **Do not attend the meeting if you are sick**, have a fever, cough or respiratory symptoms.
- Wearing a **FFP2 face mask** will be **mandatory during bus transports**;
- Wearing a **face mask** will be **highly recommended in indoor rooms** and in any over-crowded situations during the conference (e.g. during coffee-breaks and lunch);
- Maintaining a **social distance** of at least one metre from other people in any indoor space, including when taking seats in the conference room.

PLEASE KEEP YOUR DISTANCE

What we are also doing to avoid the spread of the virus:

- Moderated number of participants
- Daily disinfection of the rooms and of the toilets
- Hand sanitizer at the entrance of every space
- Frequent disinfection of the microphones
- The air conditioning of the room is equipped with special filters
- The food will be served by servers
- Lunch mostly outside the building in open air (if the weather is good)

Social dinner

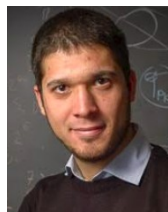

- On tuesday 6th the social dinner will take place at Casa Maggiolina.
- The bus service will go back from the venue to Frascati around 6pm, so that you can enjoy some free time before dinner.
- The bus service will leave again from Frascati at 7.45pm, leading to the social dinner place.
- At 11pm, the bus will bring all the participants back to Frascati.
