

# PASTO - Particle Acceleration in Astrophysical Objects

## Monday, 5 September 2022

### Modeling the interactions of particles (16:00 - 18:05)

-Conveners: Alessandra Lamastra

time	[id] title	presenter
16:00	[33] Review talk: Modeling the interactions of particles	Prof. BOETTCHER, Markus
16:55	[82] Thematic talk: Leptonic and hadronic photon emission models of high-energy sources	REIMER, Anita
17:30	[85] Thematic talk: The gamma-ray emission of Galaxy Outflows	AJELLO, Marco
