

XLII National Congress of the Italian Society for the History of Physics and Astronomy

Contribution ID: 31

Type: **not specified**

Today Physics in Perugia

Monday, 26 September 2022 14:30 (15 minutes)

The research lines currently active in the Physics section of the Physics and Geology Department of the University of Perugia will be presented.

These research activities results from the evolution of the skills acquired over the years in the department and rooted in its history.

The crucial role of research institutions (INFN and CNR in particular) in this process will be underlined
