

# Galaxies & AGN with the First Euclid data and beyond

## Friday, 16 September 2022

### Day 3: Plenary Session 8 (11:40 - 14:30)

time	[id] title	presenter
11:40	[114] J.Silverman - Connections between SMBHs, host galaxies and their DMHS	
11:55	[115] H.Fu - Impact of the stellar mass-halo mass relation in galaxy merger	
12:10	[116] F. Shankar - Constraints on the assembly histories of galaxies and SMBHs	
12:25	[117] X. Lopez - Exploitation of AGN in Euclid Q1/DR1 with an empirically generated catalog	
12:40	[118] Discussion Plenary 8	
13:05	Lunch Break
