The Gaia mission and stellar physics (Invited)

Tuesday, 20 September 2022 09:20 (30 minutes)

I will present an overview of the Gaia mission and its most recent data release. The presentation will focus on the Gaia mission status and the plans for the extended mission, as well as the astrometric and photometric data in relation to stellar physics research.

Presenter: BROWN, A.

Session Classification: Overview on Gaia data/products and their use
