

AVENGe - Advances in Very-High Energy Astrophysics with Next-Generation Cherenkov Telescopes

Monday, 29 May 2023

Extragalactic Survey (16:30 - 18:30)

-Conveners: Elisa Prandini

time	[id] title	presenter
16:30	[109] Introduction: The extragalactic survey key science project - Status and perspectives	PRANDINI, Elisa
16:50	[110] Extragalactic survey: some updates based on recent findings (Solicited Talk)	GIOMMI, Paolo
17:10	[111] The Fermi-LAT experience: lesson learned (Solicited talk)	GASPARRINI, Dario
17:30	[114] Divergent Pointing mode as observation strategy (Solicited talk)	BURELLI, Irene
17:50	[112] Search for new TeV sources from our MWL and spectroscopic survey	ULGIATI , Alberto PAIANO, Simona
18:00	[113] Open discussion
