ASTRI and LHAASO Workshop

UHE GRBs and constraints on the standard physics

INAF-IASF Milano, Conference Room
Via Alfonso Corti, 12 - 20133 Milano

Wednesday 8 March

08:00

UHE GRBs and constraints on the standard physics

Session | **Location:** INAF-IASF Milano, Conference Room, Via Alfonso Corti, 12 - 20133 Milano | **Convener:** Gianpiero Tagliaferri

08:00–08:20 **GRBs: what we know so far**

Speaker

Lara Nava

08:20–08:40

Observation and interpretation of GRB 221009A using LHAASO-WCDA data

Speaker

Prof. Xiang-Yu Wang

08:40–09:00

LHAASO-WCDA sensitivity for GRB observation and the further deep analysis plan on the GRB 221009A

Speaker

Prof. Zhiguo Yao

09:00–09:20

LHAASO-KM2A observation on GRB 221009A

Speaker

Prof. Songz Han Chen

09:20–09:40

Multi-TeV detection: beyond the standard physics ?

Speaker

Giorgio Galanti

09:40
