

Session Program

7-9 May 2025

FRB-Italy 2025

Origin

Area Territoriale di Ricerca di Bologna, Aula 216
Via Piero Gobetti 101 40129 Bologna

Wednesday 7 May

16:30

Origin: Origin & emission models

Session | **Location:** Area Territoriale di Ricerca di Bologna, Aula 216, Via Piero Gobetti 101 40129 Bologna

16:30–17:05

Understanding FRBs with strong gravitational self-lensing in neutron stars

Speaker

Simone Dall'Osso

17:05–17:25

Fast radio bursts as gravitationally lensed events in neutron star magnetospheres

Speaker

Riccardo La Placa

17:25
