Course in Computing and High Performance Computing

Report of Contributions

Contribution ID: **1** Type: **not specified**

CPU Arch. & Optmization

Monday 22 September 2025 09:30 (30 minutes)

Session Classification: CPU Architecture & Code optimisation

Contribution ID: **2** Type: **not specified**

CPU Arch. & Optmization

Monday 22 September 2025 10:00 (30 minutes)

Session Classification: CPU Architecture & Code optimisation

Contribution ID: **3** Type: **not specified**

CPU Arch. & Optmization

Monday 22 September 2025 10:30 (30 minutes)

Session Classification: CPU Architecture & Code optimisation

Contribution ID: **4**   Type: **not specified**

Lab and Exercises

Session Classification: CPU Architecture & Code optimisation

Contribution ID: **5** Type: **not specified**

Introduction

Monday 22 September 2025 09:00 (30 minutes)

Welcome and Logistic
Introduction to the Course
Laboratory and Exam
