

Session Program

31 August 2026 to 4 September 2026

5th LSST Regional Workshop

Hands-on sessions & co-working

IFPU

Institute for Fundamental Physics of the Universe (IFPU) Via Beirut, 2, 34151 Trieste TS

Wednesday 2 September

11:00

12:30

Hands-on sessions & co-working

Session | **Location:** IFPU, Institute for Fundamental Physics of the Universe (IFPU) Via Beirut, 2, 34151 Trieste TS

11:00–12:30

Data visualization and outreach

Thursday 3 September

09:30

Hands-on sessions & co-working

Session | **Location:** IFPU, Institute for Fundamental Physics of the Universe (IFPU) Via Beirut, 2, 34151 Trieste TS

11:00

09:30–11:00

Hands-on session on DP2 Data Access and Data Quality

11:30

Hands-on sessions & co-working

Session | **Location:** IFPU, Institute for Fundamental Physics of the Universe (IFPU) Via Beirut, 2, 34151 Trieste TS

13:00

11:30–13:00

Hands-on session on Variability with DP2 data

14:30

Hands-on sessions & co-working

Session | **Location:** IFPU, Institute for Fundamental Physics of the Universe (IFPU) Via Beirut, 2, 34151 Trieste TS

16:00

14:30–16:00

Stellar populations and variability co-working session

Friday 4 September

09:30

11:00

Hands-on sessions & co-working

Session | **Location:** IFPU, Institute for Fundamental Physics of the Universe (IFPU) Via Beirut, 2, 34151 Trieste TS

09:30–11:00

Hands-on session - Co-working
