

Active Galactic Nuclei 13: Beauty and the Beast

Tuesday, October 9, 2018

The non thermal world: multi-messenger and jets (4:30 PM - 5:45 PM)

time	[id] title	presenter
4:30 PM	[17] LeMMINGS: the eMERLIN radio legacy survey of nearby galaxies	BALDI, Ranieri
4:45 PM	[17] Large-scale radio morphology and nuclear accretion in FRII-low-excitation radio galaxies	MACCONI, Duccio
5:00 PM	[19] Probing restarting activity in soft gamma-ray selected giant radio galaxies	BRUNI, Gabriele
5:15 PM	[45] The MURALES project: a MUse RADio Loud Emission lines Snapshot.	BALMAVERDE, Barbara
5:30 PM	[10] Hosts and environments of radio-active AGN	MAGLIOCCHETTI, Manuela
