What kind of capabilities would you want for your science?

- Spatial resolution: 29%
- Multiplexing: 12%
- Multi-IFU: 21%
- Spectral resolution: 5%
- Wide field IFU: 33%
Preferred project format?

- Legacy surveys: 5%
- PI-led projects: 10%
- Combination of both: 85%
After the arrival of JWST, TMT, GMT and the ELT: do we really need more telescopes?

- Yes: 61%
- No, synergy between existing telescopes: 39%
