

# Astrophysical Polarimetry in the Time-Domain Era

## Tuesday, 30 August 2022

### Polarization and TDE (15:30 - 16:20)

-Conveners: Jonathan Granot

time	[id] title	presenter
15:30	[90] Polarized light from tidal disruption events: observations and modelling	Dr LELOUDAS, Giorgos
16:05	[135] Shocking news - a polarizing study of a tidal disruption event	Prof. LINDFORS, Elina
