

Astrophysical Polarimetry in the Time-Domain Era

Tuesday, 30 August 2022

Polarization and X-ray binaries (10:00 - 10:30)

-Conveners: Paolo D'Avanzo

time	[id] title	presenter
10:00	[97] Low mass X-ray binaries: a polarimetric view	BAGLIO, Maria Cristina

Polarization and X-ray binaries (11:00 - 11:35)

-Conveners: Paolo D'Avanzo

time	[id] title	presenter
11:00	[104] High-precision optical polarimetry of black hole X-ray binaries	Mr KRAVTSOV, Vadim
11:20	[84] Black hole spin-orbit misalignment in the X-ray binary MAXI J1820+070	POUTANEN, Juri
